Agents Bust Pot Plantation

Santa Fe—State Police and agents from the Region III multi-jurisdictional Drug Interdiction Task Force arrested David Forrest (1/12/1976) on charges of distribution of a controlled substance.

Information developed through an investigation led agents to the house at 13 Calle Corte in a rural Santa Fe area. Based on information developed prior to the visit and that gathered at the house, a search warrant was signed by First District Court Judge Daniel Sanchez.

Agents entered the house and discovered a substantial indoor marijuana growing operation. Narcotics agents found 80 plants growing in the cellar under the house. In addition to the plants a large amount of dried marijuana and other drug paraphernalia was also discovered.

David Forrest was arrested and booked into the Santa Fe County Detention Center.
